In her work on nursing Miss Florence Nightingale says "no particle of dust can be gotten rid of by the present method of dusting. Dusting in these days means nothing but flapping the dust from one part of the room on to another. It is better to leave the dust lying in its original position if you are downward of the dust lying in its original position if you are gotten rid of by the present method of dustdust lying in its original position if you are looking at the sights." not going to remove it altogether. The only way I know to remove dust, the plague of all dreamy man, as they clinked glasses, accordlovers of fresh air, is to wipe everything with ling to the San Francisco Examiner. "Glad a damp cloth. The damp duster will need, Miss Nightingale further explains, frequent rinsing and wringing dry or the furniture will be made smeary and streaked with the mud that has resulted from the dust and the wet of the duster, and the work of the dampened duster must be supplemented by that of the dry one. So you will require two dusters, the dry one carried over your arm, to use when needed as a polisher.

AFRAID OF THE ROSE.

She Thought It Dropped from Heaven and Wouldn't Touch It.

A lady who was going into a picture gallery on the avenue dropped a single very well acquainted. Did you know Dante, red rose she held in her hand and it lay Bill Nye, or Dan Deronda?" on the threshold, when a thin-faced, ragged child stopped to look at it, says the Detroit Five Press,

You can have it." said the lady, who was returning to her carriage.

sky long and earnestly.
"Well," said the lady, amused at the scene. "why don't you pick up the the door.

Tucson, as he slid towards the door; "that is, I knew him by sight," and he fled through the door.

and ran off without touching the red rose.
She could not comprehend how a rose could drop from heaven like a star to lie at her feet, and she was afraid of a boundary of the result of the rose of th ty that was of so unusual a nature.

Clean your Straw Hat with Pearline. Directions.

First brush out all the dirt possible. Then, with a sponge, wash the hat with the ordinary Pearline solution (in the proportion of a table-spoonful to a pail of water.) Steam it well over the norzle of a kettle; rinse well with sponge and warm water; press into shape, and dry.

You can do all this at home at a cost of less than one penny. It's simple enough, if you have Pearline-but, with Pearline, every kind of washing and cleaning is simple. Directions for the easiest way, on every package.

Beware unscruptions grocers will tell you "this is - Pearline is never peddled; if your grocer sends you an imitation, be honest—send it back. 31 JAMES PYLE, N. V.
